Summer 2011
Research Experience for Undergraduates
At the Claremont Colleges
claremontmathreu@gmail.com
Letter of Recommendation due by February 15, 2011

Student to complete this section:
Name:
I waive [ ] do not waive [ ] my rights to see this letter of recommendation.
Signature: Date:

To the recommender: The student named above is applying for a summer research experience at the Claremont Colleges through the National Science Foundation REU program. Your candid opinions of the student would be most appreciated. Please answer the following questions, and email to: claremontmathreu@gmail.com or mail (or FAX) your recommendation to the following address by February 15, 2011. If you prefer to write a separate letter, that is perfectly acceptable.

Professor Chris Towse, Director
